

Alert Now 08-27-17

- Good Evening Hornets. This is Dr. Evelyn Edney, your school leader with your announcements for the week.
- What a great start to our school year. This past week, the students did a great job during their orientation. Now we will begin the settling in process of the new school year. This means, we will be working on scheduling issues, bus issues, giving out books, and logging in all new information into our data management system. We appreciate your patience as we work out all of our problems. Everything will settle down within the week.
- A reminder to all ninth grade parents who are dropping off and picking students up at ECHS, please use the entrance by the cafeteria. All Upperclassmen parents, your drop off and pick up spot is in Parking Lot 4 near the tennis courts at DSU.
- The ECHS Board of Directors has a meeting on Wednesday this week at 5:15 p.m.
- A reminder that students do not have school on Monday, September 4<sup>th</sup> for the Labor Day Holiday.
- That's all we have. Thank you and have a great evening.
