

## State Mandated Immunization Requirements & Physical Requirements

Each 9<sup>th</sup> grade and new 10<sup>th</sup> grade student must provide proof of state mandated immunizations and a physical dated within the past two years for entry into ECHS @ DSU.

The State of Delaware requires you to provide verification of the following immunizations (please check for accuracy):

5 doses of Dtap

4 doses of Polio

2 doses of MMR

3 doses of Hepatitis B

2 doses of Varicella (chicken pox vaccine)

1 dose Td or Tdap (prior to entry into 9<sup>th</sup> grade)

1 dose Meningococcal (prior to entry into 9<sup>th</sup> grade)

The State of Delaware also requires each student to provide a physical dated within the past 2 years. From 8/1/16 to present.

If you do not provide documentation of immunizations or a 9<sup>th</sup> grade physical, your student may be excluded from school until the requirement is satisfied. It is a state regulation that we acquire this information in a timely fashion. It is due within the first 30 days of school.
